

Ursy, December 2018

Elsbeth and Dominique, alongside pastoral work in Lausanne, Switzerland, travel through Europe, Africa and other places, wherever God guides them. They give numerous concerts, share their testimonies, preach in Protestant, Catholic, evangelical churches as well as other denominations, offering hope to those who suffer from addictions, through Dominique's testimony about his own addiction to and liberation from alcohol as well as the book "Quand le verre vire au rouge," participating in television and radio programs, interviews for different newspapers and magazines, holding sessions for couples, seniors, and all other age groups. Brief anecdote: last month, a young girl (not yet Christian) who heard them for the first time said, "But... what you're doing is really young! I heard groups a lot younger than you... but what you're doing is even more young than what the youth do!"

**40 ANS
MAIS PAS
ENCORE**

⇒ **We recently had two experiences in a prison in Lausanne**, and the detainees, who have a really difficult past which gave us goosebumps, were profoundly touched by God. Several burst into tears, others cried silently while with the chaplain we prayed personally for each one who wanted it. Pray for these men, for God can pardon the most terrible things and transform these persons into new creatures. He alone can effect this miracle in their lives, and we are so glad to be among His ambassadors! We offered them a box of DVDs, and they continue to watch the clips and listen to the message of the songs in their cells.

⇒ While you are reading these lines, **we are on the way to Senegal**, where we have already been last year. We will be there from the 9th to the 21st of December to encourage the on-site team who works in the prisons, as they are going through a difficult time at the moment, but also to once again sing in several prisons, and also to give a concert at the auditorium of the University of Thiès. Several hundred or even several thousand persons, prisoners and otherwise, will hear the gospel. We need you and your prayers! What a miracle to be able to freely proclaim Jesus in a country that is 96% Muslim !

We do all our prison work, in Switzerland as well as in Senegal, on a *voluntary basis*. We assume the travel costs to Senegal ourselves, according to the conviction of our hearts. For other places, we try to cover the costs and, if possible, to have help for continuing the ministry, but we never ask a fee, leaving the liberty to those who invite us according to their means, as we don't want money to be an obstacle. God has been faithful throughout the years, and He will continue His faithfulness.

⇒ *We warmly thank all those who wish to help our "Mission Jude 25" financially, regularly or occasionally, according to your means, modest or abundant. Each gift, no matter what the amount, is a big help and encouragement for us. And thank you also and especially for all of you who pray for us... this is vital!!* We have put our practical information at the bottom of the page.

Plenty of engagements have already been added to the agenda for 2019: in Switzerland, in Belgium, a three-week tour in Southern France (even with a concert in Monaco, something that would have been impossible a while back), and we plan to go on tour to Kinshasa in the DR Congo next summer.

*You can follow the details of our travel under the heading "concerts" on our website www.jude25.ch
On the site, you also have the possibility to order CDs or books in hardcopy and in digital format.
You also have the possibility to download songs individually.*

United in Him,

Dominique & Elsbeth Fontaine / Jude 25

**...AND WE WISH YOU
A MERRY CHRISTMAS AND A 2019 FULL OF BLESSINGS.**
