

GRATEFULNESS

Dear friends,

Rossens, December 2022

First of all, we would like to express our gratitude for all the prayers you've prayed for our health problems since the beginning of 2019. We have received many messages from all over the world! From Canada to China... from Scotland to the countries of Africa... a real mobilization of prayers has started. What wonderful love unites us all !!

***Now... we can tell you that we are delighted
with the improvement in Dominique's health.***

With the help of the Lord, in answer to your prayers, as well as the very good medical care and Dominique's efforts to work on his health, it has improved a lot in recent months (he continues to have quite a few medical appointments, Physio or other sessions, at least 3x per week...so time flies!) We are happy to report that the last scan showed that his lungs have returned to their pre-Covid state. (Injury to his lungs from his first illness in 2019 still remain). But overall he has regained ground !

Thank you also for the financial support received occasionally or regularly. Whatever the amount, it allowed us to keep our heads "above water" during this long parenthesis and it helps us continue with our ongoing Ministry « Jude 25 » !! (Elsbeth et Dominique Fontaine)

🔗 Since we last wrote in October of 2021 we've been able to resume
many of the activities we lost due to health. 🔗

Here is some of the Ministry that has come back to life !

◆ End of 2021 : A concert & a worship-concert in Sallanches (Chamonix, France)

Just for perspective one of our concerts represents about 15 songs in a row, interspersed with our introductions, testimonies, a short sermon, for a duration of about 1h45 non-stop... We had planned a stool set back so that Dominique could rest and catch his breath in between...but that was never necessary in any of the concerts, the voice held, the breath held!!! Thank you Lord!

As for Elsbeth... she's holding on anyway... Swiss-Germans are solid! Sometimes Dominique looks for where the batteries are to remove them and stop her... but he's never able to find them !!

◆ Nyon, Switzerland. We sang and testified during a Christmas party for the church elders.

◆ In 2022 : Concert in Dieppe, Normandy, France.

◆ Worship-concert in Anzin, North of France, region where Dominique comes from.

◆ La Riponne church - Lausanne

In June we were honored with a magnificent gathering to celebrate our retirement from full time pastoral responsibilities (a 2 year delay due to Covid). We are still members of this church that we love.

◆ Elsbeth remains very active in home visits, in retirement homes or hospitals, as well as in street evangelism.

◆ Oropesa, Spain. A worship-concert in the church where our son Yann pastors with his wife Sandra

◆ Dominique was able to start preaching again in various churches: In Sallanches / several times at the Church of La Riponne in Lausanne / in Fribourg / in the North of France / in Spain / and several times in a Chinese church in Lausanne. *(As you read these lines, we will be at the Chinese church again and will experience the baptism of a young woman who discovered the liberating message of the Gospel and with whom we burned all of her occult books and materials during our previous visit.)*

Other preaching engagements are still scheduled by the end of this year and for 2023, as well as several Jude 25 concerts or testimonies on alcohol.

⇒ Speaking of alcohol... my book, « *Quand le Verre Vire au Rouge* » has finally been released in German, titled: « *Vom Genuss zum Verdruss* ».

Currently it is only available in a download version on our website www.jude25.ch

If one day we have the means... we can have it printed in a paperback book version..

So, after these years of forced cessation, Elsbeth and Dominique are gradually resuming activities, concerts, testimonies on addiction, preaching, etc.

If you want to invite us, contact us at info@jude25.ch

⇒ Our daughter Rebecca is recording a CD whose 12 titles were composed by her husband Daniel and her brother Yann. Several members of both our « blood family » & Jude 25 family sing with her.

Rebecca asked us to « coach » her and help her with the production of this album, which we do with great pleasure. So we spent a lot of time this past year rehearsing in our home studio, vocal recording at another studio and in January we will return to the studio in Geneva for the final mix.

Elsbeth and Dominique also each sing a solo with Rebecca in 2 respective titles. For more info, type « *Graine de Moutarde* », *Rebecca Fontaine* on the Internet in the coming months.

⇒ By the way (yes, it's the "pub page" ☺) we inform you that our son Yann has recorded 2 CDs in recent years which have been released both in French and in Spanish. You can listen to them by typing on the Internet or YouTube « Yann Fontaine : « *privilégié* », « *le même aujourd'hui* », or « *privilegiado* », « *el mismo hoy* ».

For any additional information, contact us by email,
both for Rebecca and for Yann, and we will pass on. (info@jude25.ch)

⇒ You are obviously not unaware of the current events in Ukraine... Tonya, the wife of our son Luc, is Ukrainian. We worked alongside Tonya and Luc to help one of her sisters-in-law get out of Ukraine. We actively helped with organization, administration, finding the solution to pass customs without problems, etc. On March 4, it was with joy that Dominique went to pick up Olga and her two sons (11 years old and 2 years old) at the Geneva airport, after transiting through Hungary. Together we have put in place the necessary solidarity to welcome them. So they are here, but her husband, the dad, was forbidden to leave and he is still in Kyiv...

Please remember this family in prayer, as well as all the members of Tonya's family who live in Ukraine and Russia. Recently Olga told us: « *Thank you for helping us out of the war* ». What emotions!

In writing this letter, we note that finally... during these last 12 months, we have experienced a lot of things, and there too our gratitude goes to our God of love who, after these 3 years of illness, has allowed us to resume with joy the service for him.
